

Dear Family,

This quilt activity is something you and your child can do at home together!

1. On the quilt square, have your child write his or her name and the names of each family member.
2. Together, decorate the quilt square. Feel free to use a variety of art and craft materials, such as crayons, markers, stickers, fabric scraps, or glitter glue.

As you complete this activity, help your child enhance his or her language and literacy skills by:

- **Letting your child try to write his or her name.**
Your child will get better at writing if he or she gets lots of practice!
- **Teaching your child the names and sounds of letters in their name and in your family members' names.** You can ask your child, "What sound do we hear at the beginning of your name? What sound do we hear at the end of daddy's name?"
- **Pointing at letters as you say their name and the names of the other members of your family.** Be sure to say each name slowly and clearly.
